
SLS AMG Dealer Ordering Guide

An important note about this Guide:

The information presented in this guide is based on the most current information available and is intended to assist you when specifying your SLS AMG orders.

Due to the preliminary nature of this information, all pricing and option availability is subject to change. As new information and/or additional details are made available, they will be communicated to you and this Guide will be updated.

Due to variances among color monitors and printers the colors that appear on your screen and printouts may not be exact.

Seats – Color Selection Summary

Standard Options

- 501 Black
- 505 Sand
- 507 Classic Red
- 515 Porcelain

Special Options

- 557 Classic Red/Black
- 555 Sand/Black
- 565 Porcelain/Black
- 204 Light Brown

Code 811 - Bang & Olufsen Sound System

OPTIONAL - \$6,400^{est}

- 10 Speakers, 1,000 Watts
- Dual subwoofers
- Amplifier (Ice-Power and DSP) with a max output of 1,000 watts
- Speakers with Neodymium magnet to reduce weight without loss of sound quality
- All speaker grilles are made of high-quality 2mm aluminum
- Illuminated tweeter lenses
- Selectable sound modes

Total Output 1000 Watts

ICE power		DSP	
subwoofer	1x250 Watt	center speaker	1x50 Watt
woofer	2x125 Watt	tweeter	2x50 Watt
mid-range	2x125 Watt	surround speaker	2x50 Watt
total	750 Watt	total	250 Watt

Code 31P - Extended Interior Carbon Fiber Package

Expands upon the H73 Carbon Fiber trim option to cover more surfaces in carbon fiber

Extended Carbon Fiber Package Includes:

Carbon Fiber Interior Trim (Code H73)

+

- Sill Plates (2)
- Seat Frame Trim (2)

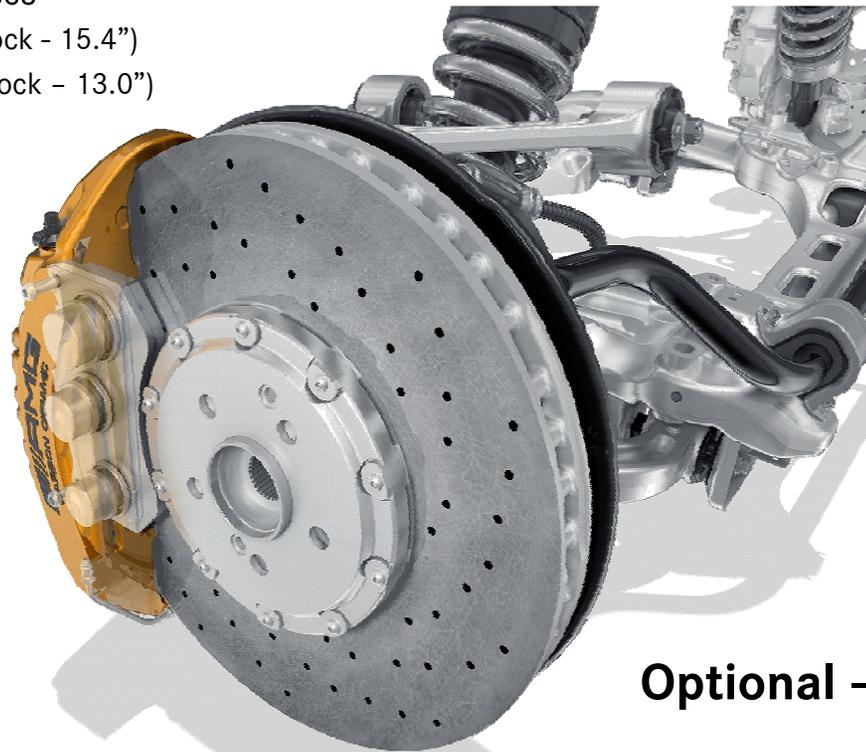

OPTIONAL - \$9,000est.

Code B07 - AMG Carbon Ceramic Braking System

Specially-developed carbon ceramic rotors and brake calipers for reduced weight and excellent braking performance. Bronze painted brake calipers with “AMG Carbon Ceramic” Logo.

Larger carbon-ceramic compound brake discs

- Front: six piston caliper, 15.8” disc (Stock - 15.4”)
- Rear: four piston caliper, 14.2” disc (Stock - 13.0”)

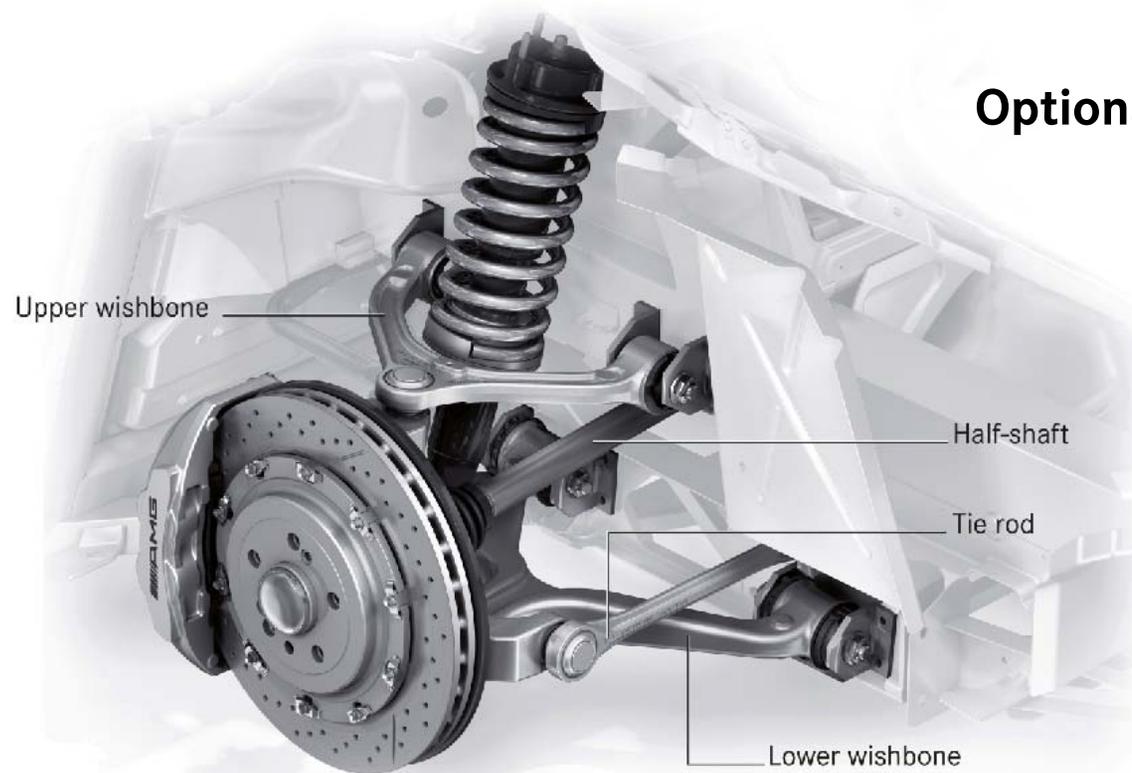

Optional – \$12,000^{est}

(Important Note: This system is designed for the ultimate in high performance braking. The composition of the rotor/discs and pads are designed to deliver high performance braking in all ranges, however it must be noted that as a characteristic of these materials, some brake noise/squeal may result as well as a differing pedal/braking feel at lower brake temperatures vs. higher brake temperatures.)

Code 486 - AMG Performance Suspension

Stiffer steel springs and shock absorbers for enhanced dynamic capability in high-performance driving situations.

(Important Note: The AMG Performance Suspension features stiffer springs and shock absorbers which can have an impact on ride quality/compliance. This option is not recommended for customers who do not favor a very stiff ride with limited rebound and compression characteristics.

Code 281 - AMG Leather/Alcantara Performance Steering Wheel

Alcantara Side Grips

Optional - \$500^{est}

There are no other changes to the diameter or construction of the steering wheel.

Code 773 - Carbon Fiber Side Mirror Covers

Optional – \$5,000est.

As shown on the 2010 E63 AMG. SLS AMG image not available at the time of communication.
